

EAST HAMPTON MIDDLE SCHOOL

September 2, 2008

Dear Parents,

As we move forward into this new school year, it is important that we work together as a team to ensure the highest level of success for our students. A key component to that success is a mutual understanding of the expectations for conduct during the school day and at any and all school activities.

I ask that you please read and review with your child/children the EHMS Student Planner and the Manual of Selected Policies and Procedures 2008-09 for East Hampton Public Schools. These two items went home with your child on the first day of school. After reading both, I would also ask that you sign and return the bottom portion of this letter to the school to verify that you have done so by September 12, 2008.

Thank you for your collaboration in this effort to ensure success for the 2008-09 school year!

Respectfully,

John H. Fidler
